The easement is hereby limited in scope to only that portion of the affected properties reasonably necessary to effectuate the initial installation, repair and maintenance of said utilities. Subject to consent of Declarant, and pursuant to this easement, a providing utility or service company may install and maintain facilities and equipment on said properties and affix and maintain wires, circuits and conduits on, in and under the roofs and exterior walls of buildings and/or dwellings in connection with initial installation; provided that such utility or service company shall promptly remove all debris and restore the surface of any affected property, along with any buildings or dwellings thereon, as nearly as possible to the condition it was in at the time of commencement of such work.

There shall be only one Membership for each Lot, which Membership shall be shared by any Owners of interests therein.

Section 6.2. Declarant. Declarant shall be a Member of the Master Association for long as it holds a Class B Membership pursuant hereto or owns any property in South Bay.

Section 6.3. Voting. The Master Association shall have two (2) classes of voting memberships:

Class A. Class A Memberships shall be all Memberships, except the class B Membership held by Declarant, and each Owner shall be entitled to one vote for each Lot owned, subject to the authority of the Board to suspend the voting rights of the Owner for violations of this Declaration in accordance with the provisions hereof.

Class B. Class B Memberships shall be held by the Declarant and the Class B Membership shall be entitled to three (3) votes for each Lot owned by Declarant. For purposes of this Section only, and in order to provide for the complete development of South Bay as currently contemplated, Declarant for voting purposes shall be deemed to be the Owner of the total number of lots to be developed in South Bay, which is hereby declared to be eight hundred (800), less the number of Lots owned by the Class A Members at the end of the Master Association's fiscal year; The Class B Membership shall cease and be converted to Class A Memberships on the happening of the first of the following events:

(a) When the total votes outstanding in Class A Membership equals eight hundred (800); or

6.4.1 No change in a Membership shall be effective for voting purposes unless and until the Board is given actual written notice of such change. The vote for each Membership must be cast as a unit; fractional votes shall not be allowed. If a Membership is owned by more than one person or entity and such Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. If any Member casts a vote representing a certain Membership, it will thereafter be conclusively presumed for all purposes that he was acting with the authority and consent of all Owners of the Membership unless objection thereto is made at the time the vote is cast.

6.4.2 Any mortgagee who acquires title to a Lot pursuant to a judgment or foreclosure or a trustee sale shall automatically become entitled to exercise all voting rights which the Owner of said Lot would otherwise have had.

6.4.3 If any lender to whom Declarant has assigned, or hereafter assigns, as security, all or substantially all of its rights under this Declaration succeeds to the interests of the Declarant by virtue of said assignment, the absolute voting rights of the Declarant as provided herein shall not be terminated thereby, and such lender shall hold the Declarant's Memberships and voting rights on the same terms as they were held by Declarant.

Section 6.5. Transfer of Membership. The rights and obligations of membership in the Master Association shall not be assigned, transferred, pledged, conveyed or alienated in any way except upon conveyance of an Owner's Lot by deed, intestate succession, testamentary disposition, foreclosure of a Mortgage, or other legal process pursuant to the laws of the State of Washington or the United States.

ARTICLE 7

COVENANT FOR ASSESSMENTS AND CREATION OF LIEN

Section 7.1. Creation of Lien and Personal Obligation of Assessments. The Declarant, for each Lot hereinafter established within South Bay, hereby covenants and agrees, and each Owner by acceptance of a deed therefore (whether or not it shall be so expressed in such deed) is deemed to covenant and agree to pay to the Master Association the following Assessments charges established hereunder: (i) Annual Assessments; and ii) Special Assessments for capital improvements or other extraordinary expenses or costs. The Annual and Special Assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the Lot and shall constitute a continuing servitude and lien with power of sale upon the Lot against which each such Assessment is made. The lien may be enforced by foreclosure of the lien on the defaulting Owner's Lot by the Master Association in like manner as a mortgage on real property. The lien for each unpaid Assessment attaches to each Lot at the beginning of each Assessment Period and shall continue to be a lien against such Lot until paid. The costs and expenses for filing any notice of lien shall be added to the Assessment for the Lot against which it is filed and collected as part and parcel thereof. Each such Annual and Special Assessment, together with interest costs and reasonable attorneys' fees, shall also be the personal obligation of the Owner of the Lot at the time when the Assessment or Charge fell due. The personal obligation for delinquent Assessments shall not pass to the successors in title of the Owner unless expressly assumed by them.

Section 7.2. Annual Assessments. In order to provide for the uses and purposes specified in Article 9 hereof, including the establishment of replacement and maintenance reserves, the Board in each year, commencing in 1989, shall assess an Annual Assessment against each Lot where there has been issued an Occupancy Permit for a dwelling thereon for sixty (60) days or more. Each Lot shall be responsible for paying the Annual Assessment, or a pro rata share thereof, from the sixtieth (60th) day following the issuance of said Occupancy Permit. The amount of the Annual Assessment shall be established by the Board but shall be determined with the objective of fulfilling the Master Association's obligations under this Declaration.

Section 7.3. Uniform Rate of Assessment. The amount of any Annual or Special Assessment shall be fixed at a uniform rate per Lot. Annual Assessments shall be collected in advance on a monthly, quarterly or annual basis and Special Assessments may be collected as specified by the Board, unless otherwise determined by the resolution of the Members of the Master Association approving the Special Assessment.

Section 7.4. Superiority of Assessment Lien. The Master Association's lien on each Lot for Assessments shall be superior to any homestead exemption now or hereafter provided by the laws of the State of Washington or any exemption now or hereafter provided by the laws of the United States. Since the Owner will receive a copy of this Declaration prior to Closing and/or the Declaration is recorded of public record, the acceptance of a deed subject to this Declaration shall constitute a voluntary and informed waiver of the homestead right by the Owner and an acknowledgement that the lien should be paid prior to any homestead claim. The Assessment Liens of the Master Association shall be superior in all cases to the Assessment Liens of the Village Associations established by Supplemental Declaration.

Section 7.5. Maximum Annual Assessment. The initial Annual Assessment period shall commence on the sixtieth (60th) day following the issuance of the first Occupancy Permit for a Dwelling Unit within South Bay, and each subsequent Annual Assessment period shall correspond with the fiscal year of the Master Association. The Annual Assessment to be established by the Board may not exceed a certain amount (the "Maximum Annual Assessment") determined in accordance with the following provisions:

7.5.1 During the initial Annual Assessment period, the Maximum Annual Assessment against each Owner shall be \$540.00 per year for each Lot subject to Assessment.

7.5.2 Effective with commencement of the first full fiscal year (the second Annual Assessment period) and continuing through the fifth (5th) full fiscal year, the Maximum Annual Assessment may be increased by the Board without a vote of the Membership by a maximum of twenty percent (20%) over the previous year's Annual Assessment. Any such increase shall be effective at the beginning of each fiscal year. Beginning with the sixth (6th) full fiscal year, and each subsequent fiscal year thereafter, the Maximum Annual Assessment may be increased by the Board without a vote of the Membership by a maximum amount equal to the greater of either (1) five percent (5%) over the previous year's Annual Assessment, or (2) the percentage increase in the Consumer Price Index, Seattle/Everett Metropolitan Area (or such other closest geographic area available), as published by the Department of Labor, Washington, D.C., or successor governmental agency, between the first day of the previous full fiscal year and the first day of the then current full fiscal year. Any such increase shall be effective at the beginning of each fiscal year.

7.5.3 The Maximum Annual Assessment may be increased above the amount set forth in Subsection 7.5.2 above, provided that any such increase shall have the assent of a majority of the votes of the Class A Membership and a majority of the votes of the Class B Membership who are voting in person or by proxy at a meeting duly called for this purpose, as provided in Section 7.8 below.

Section 7.6. Special Assessments for Capital Improvements and Extraordinary Expenses. The master Association may, in any Assessment Period, levy a Special Assessment applicable to that period only, for the purpose of defraying, in whole or in part, the cost of any acquisition, construction, reconstruction, repair or replacement of a capital improvement upon Master Association Land, Common Areas or Recreational Facilities, including buildings, structures, fixtures and personal property related thereto, or for the purpose of defraying other extraordinary expenses; provided, that in any fiscal year, the Board may not, without the vote or written assent of a majority of each class of Membership, levy Special Assessments which in the aggregate exceed five percent (5%) of the budgeted gross expenses of the Master Association for that fiscal year. The provisions of this Section are not intended to preclude or limit

the assessment, collection or use of Annual Assessments for the aforesaid purposes.

Section 7.7. Special Use Fees. The Master Association is authorized to Billfor, sue for, collect, administer and disburse tall Special Use Fees and the payment thereof shall be secured by the Assessment Lien.

Section 7.8. Notice and Quorum. Written notice of any meeting called for the purpose of taking any action under Sections 7.5 or 7.6 of this Article shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At any such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) Of all the votes (exclusive of suspended voting rights) of each class of Membership shall constitute a quorum:

Section 7.9. Establishment of Annual Assessment Period. The Annual assessment Period for collection of assessments shall be designated by the Board and, with the exception of the first Assessment Period, shall correspond to the Master Association's fiscal year.

Section 7.10. Billing and Collection Procedures. The Board shall hive the right to adopt procedures consistent herewith for the purpose of levying and collecting Annual and Special Assessments. The failure of the Master Association to send a bill to a Member shall not relieve any Member of his liability for any Assessment under this Declaration, but the Assessment Lien **therefor** shall not be foreclosed or otherwise enforced until the Member has been given not less than thirty (30) days' written notice, at the address of the Member on the records of the Master Association.; Such notice may be given at any time prior to or after delinquency of such payment. The Master Association shall be under no duty to refund any payments received by it even though a Lot is sold during an Assessment Period; successor Owners shall be given credit for prepayments, on a prorated basis, made by prior Owners. The Master Association may charge new Members who become such during an Assessment Period an administrative fee related to the issuance or reissuance of new Membership cards, if applicable, and updating Membership records.

Section 7.11. Collection Costs and Interest on Delinquent Assessments. Any delinquent Installment of Annual or Special Assessment shall bear interest from thirty (30) days after the due date until paid at a uniform rate established by the Board

which rate shall not exceed the maximum interest rate legally allowed by Washington State: The Member shall be liable for all collection costs, including attorneys' fees, incurred by the Master Association. The Board may also record a Notice of Delinquent Assessment against any Lot as to which an Annual or Special Assessment is delinquent and constitutes a lien, and may further establish a fixed fee to reimburse the Master Association for its costs associated with recording such Notice of Lien, processing the delinquency and recording a Notice of Payment, which fixed fee shall be treated as a collection cost of the Master Association secured by the Assessment Lien.

Section 7.12. Evidence of Payment of Annual and Special Assessments. Upon receipt of a written request by a Member or any other person, the Master Association within ten (10) days shall issue a written certificate stating (a) that all Annual and Special Assessments (including interest- costs and attorneys' fees) have been paid with respect to any specified Lot as of the date of such certificate, or (b) if all Annual and Special Assessments have not been paid, the amount of such Annual and/or Special Assessments (including interest, costs and attorneys' fees, if any) due and payable as of such date. The Master Association may make a reasonable charge for the issuance of such certificates. Any such certificate, when duly issued as herein provided, shall be conclusive and binding with respect to any matter therein stated as against any bona fide purchaser of, or lender on, the Lot in question.

Section 7.13. Property Exempted From the Annual and Special Assessments. Exempt Property shall be exempted from the assessment of Annual and Special Assessments; provided, however, that in the event any change of ownership of Exempt Property results in all or any part thereof becoming Assessable Property in any year, the same thereupon shall be subject to the assessment of the Annual and Special Assessments (prorated as of the date it became Assessable Property) and the Assessment Lien.

Section 7.14. Declarant Subsidy. So long as the Class B Membership exists, Declarant shall subsidize the financial operations of the Master Association in the event all Assessments and every other revenue source (income) received by the Master Association fails to equal or exceed the actual expenses incurred during the fiscal year. The terms and conditions of the subsidy shall be established by written agreement between Declarant and the Master Association. Declarant shall have no obligation for any such short fall resulting from the levying of any Assessment in an amount less than the maximum authorized for

that Annual Assessment Period, or by expenditures for capital improvements, unless the same has been previously approved in writing by Declarant. The subsidy contemplated herein shall terminate at the close of the fiscal year in which the Class B Membership of Declarant is converted to Class A Membership unless earlier terminated by virtue of the self-sufficient financial condition of the Master Association.

ARTICLE 8

ENFORCEMENT OF PAYMENT OF ANNUAL AND SPECIAL ASSESSMENTS AND OF E ASSESSMENT LIEN

Section 8.1. Master Association As Enforcing Body. The Master Association shall have the right to enforce the provisions of this Declaration. However, if the Master Association shall fail or refuse to enforce this Declaration or any provision hereof for any unreasonable period of time, after written request to do so, then any Member may enforce them on behalf of the Master Association, but not at the expense of the Master Association, by any appropriate actions, whether in law or in equity.

Section 8.2. Master Association's Remedies to Enforce Payment of Annual and Special Assessments. The Master Association may enforce payment of any delinquent Annual or Special Assessments, together with all collection costs and attorneys' fees, by taking either or both of the following actions, concurrently or separately:

8.2.1 Bring an action at law and recover judgment against the Member personally obligated to pay the Annual or Special Assessments; and

8.2.2 Foreclose the Assessment Lien against the Lot in accordance with the then prevailing Washington law relating to the foreclosure of real estate mortgages (including the right to recover any deficiency).

Section 8.3. Subordination of Assessment Lien to First Mortgage; Priority Lien. The Assessment Lien provided for herein shall be subordinate to any First Mortgage lien and any liens for taxes and other public charges which by applicable law are expressly made superior. Except as above provided, the Assessment Lien shall be superior to any and all charges, liens or encumbrances which hereafter in any manner may arise or be imposed upon each Lot: Sale or transfer of any Lot shall not

affect the Assessment Lien; provided, however, that if the sale or transfer is pursuant to foreclosure of a First Mortgage or pursuant to any judicial sale or proceeding, the purchaser at the mortgage foreclosure, deed of trust or judicial sale, shall take the Lot free of the Assessment Lien. However, such purchaser shall take subject to all Annual and Special Assessments, and the Assessment Lien thereof accruing subsequent to the date of issuance of the sheriff's or trustee's deed.

Section 8.4. Suspension of Membership. In addition to the remedies set forth herein, and not to the exclusion or prejudice thereof, the Board may also suspend a member from the Master Association and the privileges of Membership, including use of Master Association Land, Common Areas and Recreation Facilities, for non-payment of Annual and/or Special Assessments.

ARTICLE 9
